Dear Gobles Families:

The health and safety of our students and their families is of the utmost importance.

One of our student/athletes was tested for the Covid-19 virus during the afternoon of July 30, 2020, and was determined to be positive this morning.

We have already communicated this information to the students/athletes and families who are potentially impacted directly, but we feel it is important for the broader school community to be aware of the situation.

The Van Buren/Cass Health Department has been contacted and is investigating this matter. We will continue to work closely with them on protocols for these situations and their expertise will guide our decision-making.

In this case, out of an abundance of caution, we are cancelling our summer workouts and programs at this time. Thank you for your patience and understanding as we work through this situation.

Sincerely,
Jeff Rehlander
