

# Gobles Public Schools High School/Middle School Charging Guidelines

Students at Gobles High School/Middle have the following charging policy on their lunch account. Students are allowed to charge up to a -\$5 balance on their lunch account. Once a student has a negative lunch account balance they are not allowed to charge for a la carte items. They can only charge for a reimbursable meal. Students will be notified every time they go to checkout at breakfast or lunch that they have a negative balance and need to bring in money to school for their lunch account. Once a student has reached their -\$5 limit they must pay cash for the meal they purchase.
