

Gobles Public Schools Elementary Charging Guidelines

Students at Gobles Elementary Schools will be allowed to have up to a negative -\$12 balance on their lunch account. After the student accumulates a -\$12 lunch balance they will only be allowed to receive a cheese sandwich lunch with sides and milk. If a student lunch balance reaches -\$20 then we will request a meeting with the parents, principal, and food service director to see if the family is having any financial issues that do not allow them to pay on the child's lunch account and how we can correct the situation.

Parents will have a negative lunch balance notification sent home weekly informing them of their student's lunch balances.
