Bronze Recognition

Gobles High School has participated in its third annual Community Service Day for students over the past three years.

In addition to the many honorees that were recognized, Lavinia was also honored for her 14 ½ years with Gobles.

I think it’s great that the students get to give back to the community. This event gives them the opportunity to build civil service, and allows them to the take ownership of what they are doing.

The students are very enthusiastic about participating. They really enjoy the day and the food.
