

Advance Notice of Pesticide Treatment

This notice is to be provided whenever a pesticide, other than a bait or gel formulation, is to be applied to this facility. The information will be posted using the methods identified in the annual Advisory to Parents.

Attention: Parents / Guardians of students attending this facility:

This facility utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a pesticide is expected to be applied to control Insects.

The approximate location of this pest control treatment is Rooms 113 & 112.

The anticipated date of treatment will be 8/31/18.

If you have questions pertaining to this treatment, please contact:

Name: Chris Miller

Phone: 269-628-9394

Email: cmiller@gobles.org
