Plan time 7:30-8:20

The Resource Room at Gobles Middle/High School is designed to develop, strengthen, and improve skills for positive academic performance and achievement. Through remediation, content area classwork, small group and individual lessons, organizational and study skills, and test taking we will work to develop the strategies necessary for academic success.

Resource Room Goals:

- ★ To assist the students in becoming as independent and successful as they can be.
- ★ To monitor the students' progress toward meeting the IEP goals.
- ★ To maintain communication with the student, parents, teachers, guidance counselors and other staff involved with the education of the student
- ★ To introduce and develop skills needed for learning

Resource Room Components:

- ★ Planning and Goal Setting
- ★ Setting Priorities and Time Management
- ★ Organization
- ★ Study Skills
- ★ Reading, Language Arts, and Math

Classroom Expectations:

1. Respect yourself and others.
2. Be prepared - Be on time, bring materials and be ready to LEARN.
3. Help me, help you - If you need help ASK!
4. Always try your best.

Grading:

All Resource room students will be graded on participation and classroom assignments. Grading accommodations and modifications will be made per each individual student's IEP.

Success:

In order to be successful in Resource Room:

1. Use time wisely.
