Important Attendance Announcement

It is very important that parents and/or guardians report each student absence by calling the elementary **attendance phone (628-6043)** or sending a note to school when the child returns.

When a student is absence, the absence is recorded as unexcused until notification is received from the adult.

When calling the attendance phone or sending a note, please include the following:

- 1. Your name**
- 2. Child's name and grade**
- 3. Date of absence**
- 4. Reason for absence**

Due to the high number of unexcused absences that were recorded last year, Gobles Elementary will be using a messenger notification system which will inform a parent/guardian that we have not received notice of the absence.
